Repair ID Number: RN132300
 Purchase Order Number:
 Received Date:
 Model Name: EOS 5D Mark III
 Date of Purchase :
 Serial Number : 032123000728

We have received your equipment for evaluation and repair. The estimate below is based on our initial examination. We will begin the necessary repairs upon your approval and receipt of payment. Please respond to this estimate promptly to avoid having your equipment returned unrepared.

Any damage due to liquid/moisture, sand, corrosion, battery leakage, or impact damage is specifically excluded from warranty coverage. In the unlikely event that any internal or external damage is found due to any of the above mentioned conditions, or if parts necessary to complete your repair are unavailable, a revised estimate will be provided for your authorization.

To make a credit card payment, please visit us at www.canon.ca/repair If you would like to pay by cheque or money order, please send copy of this repair estimate along with your remittance to the Canon Canada Inc. Repair Facility address listed above.

Thank you for giving us the opportunity to serve you.

Description of Problem/Symptoms :

Left side top mode dial is almost broken I wanna replace it. I changed right side top screen by myself but it looks wired (Maybe put wrong side) I wanna replace it too. Other thing is fine./**Upon inspection, the technician found the product requires repair and parts to return the unit back to Canon specification. The parts required are as follows: COVER ASS'Y, TOP. The estimate has been adjusted to reflect full repair and part charges.

Accessories Received :

Body Cap, Eyecup, No Battery, No CF/SD Card, No Strap
