Let it snow

2021 / Winter

*You have to control your mind.
Everything happens from the heart.
Despair and hope,
gratitude and dissatisfaction,
love and jealousy begin there.
Our lives often may collapse,
but flowers bloom in there again,
wind blows,
and welcome rain
will remind us of the most important things
that we have forgotten.*

4. The things

Love poem

2019 / Autumn

*You already know you well, but you may have forgotten that
unwanted situations have engulfed you.
But you'll realize it again because you already know you so well.
You're a special person.
If you don't know anything, just smile like me.
I'm always be by your side.*

Peace of the day

2019 / Summer

*I hope you and i will be able to deliver warm warmth in the name of love
to the dark places in the world where the light cannot reach.
There are so many things that are not taken for granted.
I hope to be a person who thinks about what is not natural that i have.*

2019 / Summer

*I hope you and i will be able to deliver warm
in the name of love to the dark places
in the world where the light cannot reach.*

The Light

2019 / Summer

*There's no one who doesn't have worries.
There's no one without sadness.
Just as the long winter passes and spring comes soom,
as the night goes deeper, just as the morning dawns,
Just as the clothes soaked in rain eventually don't last forever.
It's all passing by.*

11. The things

Mother

2022 / Summer

*I felt a little sad while organizing my photo album
while spending lazy weekend after a long time.*

*Because i didn't know until i looked back that time was right now,
not some time in the future.*

*It's important to move forward toward something, but to not hesitate along the way,
i'll remember once again that i have to stop walking and look back on the path
i've been walking on, the heavy laughter of sunset and childer
and the wind under the warm moonlight on my way home.*

*What kind of mind and perspective are we living on a day that is never natural
that someone can't do that even if they want to live for just one day?*

Upside down

2019 / Summer

If you pause for a moment, you can see the beautiful things around us.
